for parents and advises the district regarding meeting the needs of students with disabilities. We provide support and networking opportunities for parents and guardians of children with disabilities, offer workshops and guest speakers to help parents become better informed about special education issues. We meet regularly with school officials to participate in the planning, development and evaluation of special education programs in town.

We hope you will join us!

Massachusetts law requires all open session meetings of public bodies to be accessible to members of the public, including those with disabilities.
